- Inactive text (placeholder & Apply label): #8a99a6
- Active text (when code is entered): #5a6c7d
- Apply action is inside the field box (on the right)
- Field and Apply become active when a code is entered

2. Invalid Promo Code:

- Show message below field: **Invalid Promo Code** in colour #ee6a59
- Message disappears after 3 seconds
- Clear the field, field and Apply return to inactive state

3. Promo Code Already Used:

- Show message below field: **Promo Code Already Used** in colour #ee6a59
- Message disappears after 3 seconds
- Clear the field, field and Apply return to inactive state

4. After Successful Redemption:

- Replace field + Apply with confirmation message:
✓ 1 Month Free Access Activated (or 1 Year / Unlimited)
- **Tick icon:** circle #ee6a59, tick mark #f5f5f5
- User closes app or signs out, then returns to subscription page
- Promo code field reappears in original empty (inactive) state
- If user enters the same code again: show **Promo Code Already Used** in #ee6a59
- If user enters a different invalid code: show **Invalid Promo Code** in #ee6a59

5. Below Section ("Your Credits At A Glance"):

- Update plan label to match promo type:
1 Month Free Access / 1 Year Free Access / Unlimited Free Access

6. Renewal Date (Small text):

- 1 Month → show date: +1 month from activation (e.g., Valid until 15 June 2026)
- 1 Year → show date: +1 year from activation (e.g., Valid until 15 May 2027)
- Unlimited → show No Expiry

7. CTA Button:

- Keep visible but inactive (greyed out, not tappable) unless user navigates to top-up credits section
- Top-ups are chargeable – free users can purchase credits via the App Store

8. General Disclaimer:

- Show original text for new / trial / paying users:
"Purchase confirms auto-renewal and agreement to Terms. Cancel anytime in your App Store settings."
- Do not show this disclaimer for users who have successfully redeemed a promo code (1 Month / 1 Year / Unlimited Free Access)
- Once hidden, the disclaimer does not reappear – even after the user closes the app or signs back in
